Hoosier Uplands has been recognized by the State of Indiana as a participating agency in the new Indiana Foreclosure Network.

In an effort to reduce the number of home foreclosures in Indiana, Hoosier Uplands in conjunction with the Indiana Housing and Community Development Authority has joined a statewide initiative to assist Hoosiers who are in danger of losing their homes.

This confidential help line will be available 12 hours per day, 7 days a week, at no cost to the consumer. Whenever possible, counselors will assist homeowners over the phone. If more extensive assistance is needed then they will be referred to a local, certified, foreclosure specialist. That local role is being filled by Hoosier Uplands.
