

I'm Dreaming of a Safe Christmas

I'm dreaming of a safe Christmas, when onto families homes we go.

Where the speed limit's obeyed, and passing zones are heeded, and road conditions are considered.

I'm dreaming of a safe Christmas, with every loved one that I see.

Where seat belts are always worn and children are securely fastened in their car seats.

I'm dreaming of a safe Christmas, when onto friends houses we go.

Where no one drinks and drives, even if it means taking keys and driving someone home yourself.

Give yourself plenty of time when traveling and may all your Christmas's be safe!
