

**Hoosier Uplands Early Head Start
Lice Management Requirements Checklist**

The **day before** the nurse and home visitor return to your home you **MUST** do the following:

1. Vacuum all floors and furniture.
2. Wash and dry all dirty laundry including hats, coats, scarves, towels & bedding (pillows, sheets, and blankets). Put in dryer for 20 minutes on high heat. After cleaning items place in a clean trash bag or on a clean surface.
3. Put all toys that can't be machine washed and dried into trash bags. Leave these toys in a tied trash bag for two weeks.
4. Wash and dry all machine-safe toys. Put in dryer for 20 minutes on high heat. After cleaning items, place in a clean trash bag or on a clean surface.

The **morning of** the visit you **MUST** do the following:

1. Remove all bedding including sheets, blankets, and pillows, and place in the dryer for 20 minutes on high heat.
2. Put all combs brushes, hair clips, into hot water (130 degrees Farenheit) for 10 minutes.

Task	Completion	
1.) Laundry washed/dried	<input type="checkbox"/> yes	<input type="checkbox"/> no
2.) Toys in trash bags	<input type="checkbox"/> yes	<input type="checkbox"/> no
