### Hoosier Uplands Home Health Care Receives Quality Award Improvement Award

Hoosier Uplands Home Health and Hospice recently received a Medicare Home Health Quality Improvement Excellence Award from Mitzi Daffron, RN, MSM, CPHQ, Executive Director, Medicare Quality Improvement Organization Health Care Excel, Inc. “We would like to congratulate Hoosier Uplands Home Health Care for demonstrating commitment to providing quality health care to Medicare beneficiaries,” she stated.

Hoosier Uplands Home Health Care also displayed perseverance and determination when striving for a common goal that will benefit the aging population of the community.
