Mission Statement

The mission of Hoosier Uplands, is to plan, implement or cause to be implemented, and provide comprehensive services to the poor, elderly, and disabled. The corporation strives to alleviate poverty, improve living conditions, and provide access to health care and social services to those families and individuals in need within our service area. All endeavors are pursued with the client in mind, never forgetting the value of every human being or the importance of our responsibility to the public which we serve.

On Tuesday, February 17th, Hoosier Uplands Strategic Development Department partnered with Families Forever, Lawrence County Community Foundation, and Lawrence County System of Care and showed the documentary “The Addicts Wake” at the Mitchell Opera House. The Addicts Wake is a powerful look at the addiction crisis and the path towards healing. whether you are personally affected or simply want to learn more on how to support those around you.

Monroe County's Humane Association in Bloomington, was hit by a tornado on 2/19. Luckily, all animals are safe and are in trusted care. With that being said, they are in need. Any donations can be given to Carrie Ritchison as her daughter, Riley, who is a vet assistant in Bloomington, can take those items to them for them to be able to put back. Some ideas to donate:

- Dog food
- Cat food
- Cat litter
- Pet toys
- Puppy pads
- Pet bowls
- Pet blankets
- Pet treats
- Leashes
- Pet nail clippers
- Waste bags
- Pet crates

- Brushes
- Gloves
- Cleaning supplies
- Anything you can think of :)
