

Norovirus Has Come To Town
By: Melissa Jeremiah, RN, CHCE, Director of Operations
Hoosier Uplands Home Health Care & Hospice

It is referred to as the stomach flu
And causes nausea and diarrhea
Norovirus Has Come To Town

You'll need lots of fluids if you get this bug
Drinks without caffeine or alcohol
Norovirus Has Come To Town

Norovirus likes to spread
You'd better wash those hands
And make sure your kids do this too
Or you'll share this with your friends
